The first story of the home offers a formal living/dining room upon entry, a spacious kitchen with adjacent family room, 1 bedroom, 1 full bath and a 2-car attached garage. The kitchen features an island with prep sink, dual pantries, pendant lighting, and all of the cabinet space you could possibly need. French doors just off the kitchen/family room lead to the covered rear porch and fully fenced back yard. Upstairs you'll find the primary suite plus an additional 3 bedrooms and 1 full bath, all centered around the large open loft area. There are a number of possibilities for the loft space including an additional family living area, kids play/study area, media/gaming space or a crafting area. The primary suite is fit for royalty with a tray ceiling in the bedroom, ample-sized walk-in closet and arched entry into the ensuite bath. The laundry room is also conveniently situated upstairs and includes built-in cabinet/countertop space. This home is less than a 5-minute drive from US 441 and I-75,
